Re: U.S. v. Zmilyansky (Boris Treysler) et al. 12-CR-171 (JPO)

Dear Judge Oetken:

I write to request a modification of the conditions of pre-trial home confinement for defendant Boris Treysler in the above-entitled matter.

I submit this letter to the Court respectfully seeking permission for Boris Treysler to attend his daughter's birthday party on Saturday June 30, 2012. The party is being held near Mr. Treysler's home in Brooklyn. The party is being held at: Plaster Galaxy, 2756 Coney Island Ave., Brooklyn, NY 11235 (718)769-8500.

Again the requested date is June 30, 2012 from 3:30-7:30pm (this includes travel time).

I have communicated with Mr. Dennis Khilkevich, Mr. Treysler's Pretrial Services Officer. Mr. Khilkevich voiced the following objection: "Pretrial Services objects (standard response regarding routine social events)." I also communicated with AUSA Carolina Fornos, who, on the behalf of the government, also objected: "We object."

Nevertheless, disheartened but still determined, I still humbly request that Mr. Treysler be permitted to attend the above birthday party.

With Much Respect,

Raymond J. Zuppa

APPLICATION GRANTED:

HON. J. PAUL OETKEN
UNITED STATES DISTRICT JUDGE
